## DEMOLITION PERMIT APPLICATION

Please submit a site plan showing the entire parcel on which this demolition will occur. The site plan must show all structures on the property, all driving and walking areas, all landscaping, and all drainage areas. The site plan must clearly indicate which parts will be demolished and which parts will remain. The site plan must also demonstrate how the demolition debris will be contained on site in such a way that will not pollute any land or water both on site and off site. All utilities shall be turned off or in a state that will be safe for demolition. All relevant utility companies shall be notified of any demolition plans. The site shall be inspected before any demolition may begin, and the site shall be inspected after the demolition has occurred.
